

THE ESTATES

Choosing design that has stood the test of time, Vesta has utilized elegant, colonial traditional themes for The Estates, single family homes on fee simple lots. Once again Vesta utilizes the 3 or 4 bedroom plan with full basements. The main floor allows for 9' ceilings with great room or conventional detailing. These 1900 to 2300 square foot homes have attached double car garages. The Estate lots let busy families lead their lives. Lifestyle without compromise; what could be better than that? Let the long and winding road take you back to an era of elegance and refinement. Enjoy your veranda, your space, your privacy at The Estates.
